BAHU HAMARI RAJNI KANT

The Ultimate Sci-Fi Comedy TV Series Encyclopedia

Show Overview & Premise

Bahu Hamari Rajni Kant is an Indian Hindi-language science-fiction comedy television series that premiered on Life OK on February 15, 2016. Created by Sonali Jaffar and Amir Jaffar under Full House Media, the show revolves around a genius young robotics engineer named **Shantanu Kant (Shaan)** who single-handedly creates a hyper-advanced humanoid robot named **Rajni**.

Designed with superhuman intelligence, lightning-fast reflexes, and vast computational prowess, Rajni's primary objective is to assist humanity. However, to hide her true robotic identity from his eccentric, traditional Punjabi family in Mumbai, Shaan presents her as his human wife. The ensuing chaos forms the crux of the show—as a literal machine tries to navigate complex human emotions, family politics, absurd household chores, and romantic feelings while maintaining her secret.

Main Characters & Cast Encyclopedia

Rajni Shantanu Kant (Played by Ridhima Pandit) — *The Humanoid Robot / Bahu*

Rajni is R.A.J.N.I. (Robot Anti-Journey for National Integration / Rational Autonomous Humanoid Network Intelligence), a super-humanoid robot built by Shaan. She possesses immense strength, can speak multiple languages instantly, compute complex mathematics in microseconds, and heal injuries. Despite lacking emotions initially, she develops deep loyalty and affection for the Kant family.

Shantanu 'Shaan' Kant (Played by Karan V Grover / Raqesh Vashisth) — *Robotics Genius & Husband*

Shaan is a brilliant, gentle scientist who invented Rajni to revolutionize technology. He is deeply devoted to his family and often finds himself caught between keeping Rajni's robotic nature a secret and saving her from malfunctioning or falling into the wrong hands.

Surili Kant (Played by Pallavi Pradhan) — *The Strict Mother-in-Law*

Surili is Shaan's demanding, dramatic, and traditional mother who rules the Kant household with an iron fist. She constantly finds fault with Rajni's unconventional, robotic perfection—unaware that her ideal daughter-in-law is actually running on software and batteries.

Amrish Kant (Played by Rajendra Chawla) — *The Patriarch*

Amrish is Shaan's father, known for his loud Punjabi exuberance, comical dialogues, and love for food and family status. He takes immense pride in his family's reputation in Mumbai.

Dhyan Kant & Gyan Kant (Played by Mehul Nisar & Pankaj Kalra) — *The Comedic Brothers*

Shaan's brothers add layers of situational comedy, misunderstandings, and chaotic family dynamics to the household, often getting dragged into Shaan and Rajni's secret robot escapades.

Production, Reception & Legacy

Bahu Hamari Rajni Kant received widespread critical acclaim and popular success for its highly innovative premise, which broke away from typical melodramatic daily soaps to introduce fresh sci-fi comedy into Indian television. Ridhima Pandit's deadpan yet endearing portrayal of Rajni earned her massive praise and multiple acting awards. The show's unique blend of family humor, futuristic concepts, and memorable performances has cemented its cult status among fans of modern Indian sitcoms.
