Perman 1 / Mitsuo Suwa (Perman)

Role: Leader & Protagonist | **Identity:** Mitsuo Suwa

Equipment / Gadgets: Perman Mask, Cape, Badge (Communicator), Copy Robot

Mitsuo Suwa is an ordinary, clumsy, and somewhat lazy elementary school boy chosen by Birdman to become the first Perman. Despite his everyday shortcomings and frequent reluctance, he possesses a strong sense of justice, boundless courage, and deep loyalty to his friends and town. Wearing his helmet multiplies his physical strength by 6,600 times, and his cape enables supersonic flight.

Perman 2 / Booby

Role: Perman Team Member | **Identity:** Booby (Chimpanzee)

Equipment / Gadgets: Perman Mask, Cape, Badge, Copy Robot

Booby is an extraordinarily intelligent chimpanzee who lives with an old couple. He communicates using vocal gestures and sign language, and has an enormous love for bananas. Despite being a monkey, his quick wit, agility, and keen animal instincts frequently save the Perman team in high-stakes situations.

Perman 3 / Pako (Sumire Hoshino)

Role: Perman Team Member | **Identity:** Sumire Hoshino (Famous Child Idol)

Equipment / Gadgets: Perman Mask, Cape, Badge, Copy Robot

In daily life, Sumire is a wildly celebrated child idol and actress constantly pursued by fans and media. As Perman 3 (Pako), she is sharp, tactical, assertive, and fiercely independent. She harbors secret feelings for Mitsuo, cherishing her Perman identity because it allows her to be herself away from the pressures of fame.

Perman 4 / Paryan (Housen Oyama)

Role: Perman Team Member | **Identity:** Housen Oyama

Equipment / Gadgets: Perman Mask, Cape, Badge, Copy Robot

Perman 4 is a cheerful, pragmatic Buddhist monk-in-training residing at a temple in Osaka. He speaks with an authentic Kansai dialect and is highly shrewd with finances, often doing odd jobs to earn pocket money. He brings mature, rational strategy and unwavering dependability to the group.

Birdman

Role: Guardian of the Universe / Mentor | **Identity:** Superman / Alien Peacekeeper

Equipment / Gadgets: Flying Saucer, Perman Sets, Memory Erasure Gun

An enigmatic extraterrestrial hero and galactic guardian tasked with maintaining peace across the cosmos. He chose earth's four Permans, bestowing upon them super suits, badges, and copy robots. He enforces the strict rule that if a Perman reveals their secret identity to anyone, their brain will be turned into an animal's (or their memory wiped).

Copy Robot (Doppelgänger Robot)

Role: Key Gadget & Stand-in Helper | **Identity:** Clone Doll

Equipment / Gadgets: Nose button activation, memory transfer

A doll-like android given to each Perman. Pressing its nose turns it into an exact replica of whoever touched it, copying clothes, voice, and memories. The replica stands in for Mitsuo at school or home while he fights crime. Pressing its nose again reverts it back and transfers all experiences back to the host.

Michiko Sawada (Mitchie)

Role: Mitsuo's Classmate & Crush | **Identity:** School Student

Equipment / Gadgets: None

A smart, pretty, and popular girl in Mitsuo's class. Mitsuo has a massive crush on her, although she often admires Perman without knowing that her clumsy classmate Mitsuo is actually Perman himself.

Kabao
